## US 113 at SR 18/SR 404 Grade Separated Intersection

### *Public Workshop: February 19, 2020*

The Delaware Department of Transportation (DelDOT) is seeking public input on the proposed grade separation of US 113 at SR 18/SR 404 in Georgetown, Sussex County. The proposed project was identified to address transportation needs in the US 113 Corridor Improvement Plan. The preferred alternative was selected following the public workshop in February 2018 and the project has continued into final design. The purpose of this workshop is to present the current design and update the public on the design and construction schedule. Display plans will be provided for public review and comment.

### ***Delaware Tech, Owens Campus***

**Student Services Center  
Building - Dining Hall**

**21179 College Drive  
Georgetown, DE 19947**

***3:00 PM to 6:00 PM***

This project is to preserve mobility for local residents and businesses while providing highway improvements that reduce congestion, decrease frequency and severity of accidents, and accommodate anticipated growth in local, seasonal, and through traffic.

Public parking is available on campus for all attendees. If the public workshop is cancelled due to inclement weather, the weather date will be February 26, 2020. Members of the project team will be on hand to explain the information presented and answer questions. Comment forms will be provided. Interested persons are invited to express their views in writing, giving reasons for support of, or opposition to, the proposed changes. Comments will be received at the workshop or can be mailed to DelDOT Community Relations P.O. Box 778, Dover, DE 19903, sent via email to [dotpr@delaware.gov](mailto:dotpr@delaware.gov). The comment deadline will be March 20, 2020.

This workshop location is accessible to persons having disabilities. Persons who require auxiliary aids and services such as qualified interpreters are requested to contact DelDOT by phone or mail one week in advance. For further information contact DelDOT Community Relations at 1-800-652-5600 (in DE) or 302-760-2080 or write to the above address.
